

Warm welcome to

Pre-symposium of Finnish Breast Cancer Group meeting

 November 20, 2025  16:30 - 19:30  Scandic Hub, Helsinki

We would like to invite you to an exciting and informative **Symposium on November 20**. This meeting is in connection with Finnish Breast Cancer Group meeting on November 21. The event will kick off at 16:30 with coffee and refreshments.

We will start with welcoming words from *Pau Arbos, the General Manager of Gilead Sciences Nordics*. This will be followed by a presentation by **Prof. Christos Sotiriou from the Jules Bordet Institute**, who will discuss the latest advancements in mTNBC and **Prof. Jonas Bergh** from Karolinska Institutet who will provide insights into HR+/HER2-mBC.

Register to the meeting at latest **October 19**. Use QR code below or follow link www.lyyti.in/Presymposium2025. There is limited number of places and first come, first served principle will apply.

If you have any questions, please reach out to any of us below.

Warm Welcome!
